**WHAT SHOULD I DO WHEN LOOKING FOR A
NEW HOME? IT'S AS EASY AS 1, 2, 3...**

#1.

To the right you can set up a System that will automatically e-mail you
MLS property listings of new & updated properties. I would suggest "two"

#3.

Alameda

programs working for you. First one would reflect your current home. This will keep you informed of what the housing market is doing concerning the home you may need to sell.

Alameda,
Contra Costa,
and Central
Valley - 10

#2. The second search program would reflect the home you are looking to purchase. Special homes still sell fast and the savvy buyer will use this "Tool" to get ahead of the competition!
